ML-6

Please state whether IAWC has any reason to believe that there will be additional customers in Saunemin by the end of 2005 that will result in an additional 5 percent or more of annual usage than is shown on ICC Staff Exhibit 6.00, Schedule 6.01, page 1 of 2, total below line 6 (16,288 one-thousand gallon units). If yes, please provide the source of IAWC's knowledge and indicate the number of additional potential customers, their expected meter sizes, and expected additional annual 1,000-gallon usage units.

RESPONSE

IAWC does not have any reason to believe that there will be additional customers in Saunemin by the end of 2005 that will result in an additional 5 percent or more of annual usage over the 16,288 one-thousand gallon units shown on ICC Staff Exhibit 6.00, Schedule 6.01, page 1 of 2.
